

# School Uniform Policy\*

## 2023-2024

The Islamic Academy requires students to wear a school uniform. All students are expected to adhere to a strict uniform policy and maintain the conditions of the uniform code. In doing so, they are reflecting pride in themselves and the school. Students are expected to report to school each day wearing the required uniform. Parents are expected to make sure that their child(ren) is in compliance with the school dress code. If students are not wearing the required uniform, parents may be obliged to bring the appropriate articles of clothing to school. Any student in violation of the school uniform policy will be issued a warning and / or serve a recess detention.
